PATTISON MALL POSTERS, BANNERS, SPECIALTY PRODUCTS & Digital Television (ICDTV)

REACH FOR CONSUMERS — AS THEY REACH FOR THEIR WALLETS!

Pattison mall posters provide a unique opportunity to reach your audience and influence their decision where they are primed to purchase. Mall Posters get your message into the heart of each shopping centre, where it rubs shoulders with your audience. Mall posters can be used to promote a product or service, or individual displays can be used to drive traffic right to your store.

Pattison also offers a range of specialty advertising displays in each shopping centre that allow for imaginative and customizable creative that heighten awareness of your message. Break out of the box and reach your market.

Depending on the specific mall configuration and where allowed by the property, Pattison also offers large spectacular banners and trumpet banners. Spectacular Banners come in various sizes and are single-sided when mounted on a wall and double-sided when hanging from the ceiling. Trumpet Banners are often used for complete mall coverage and high impact.

Statistics show that a consumer spends about 72.4 minutes per mall visit on average. Mall advertising is your last chance to influence the consumer at the point of purchase. Make your brand the clear choice in malls across Canada.
