Fare information

YRT/Viva tickets and passes are available at over 90 ticket agents across York Region. Customers can also buy tickets and passes from automated fare machines installed along the Viva routes. Monthly passes, discounted sets of 10 tickets and single ride fares can be purchased from multiRide machines at terminal locations. oneRide machines provide single ride tickets at vivastations and terminals.

When boarding a YRT, TTC or Brampton Transit vehicle operating in York Region, customers must deposit a cash fare or ticket into the farebox or show the driver a valid pass.

Viva service operates on a proof-of-payment system. When boarding Viva, customers need to validate tickets at vivaNow machines located at all vivastations and terminals. When a ticket is validated, the date and expiry time are printed on the ticket. Customers can also purchase single ride tickets available from both oneRide and multiRide machines.

The date and expiry time are printed on these tickets at the time of purchase, so they do not need to be validated prior to boarding Viva. Valid monthly passes or GTA weekly passes can also be used when riding Viva.

Fare zones

YRT/Viva and Mobility Plus travel across three fare zones. A \$1 Zone Upgrade is required when travelling across each zone boundary. Customers using cash fare, 1 Zone Tickets, 1 Zone Monthly Passes or a GTA Weekly Pass must pay the Zone Upgrade if travelling into an additional zone. Customers using 2 Zone cash fare, 2 Zone Tickets or 2 Zone Monthly Passes only pay the Zone Upgrade if travelling into a third zone.

The dividing lines for the three zones are located in the Town of Georgina at Ravenshoe Road and in the Town of Richmond Hill at Bloomington Road and just south of King Road.

Customers without valid fares may be subject to a fine or criminal charge.
